Do you enjoy creating original art? Does it bring you joy? Would you like to share your creations with others? YSSC is providing opportunities to exhibit original art in any shape, form or media. It won't be judged by standards of the National Gallery. The art may be round, square, or multi-sided: fashioned from paint, fiber, clay, stone, oil, watercolor, acrylic, photography, or any combination thereof. If it is original, gave you satisfaction in creation, and is an expression of yourself, YSSC wants to provide an opportunity for you to share your work.

The Yellow Springs Senior Center is currently seeking artists to exhibit at their Art Gallery. Artists must be 55 or older and live in the Yellow Springs zip code (45387) or be a member of the Yellow Springs Senior Center. If you are interested in having your work exhibited, please complete this application and return it to the Center.
